

## **Vancouver Biodiesel Cooperative** **Membership Agreement**

This Membership Agreement ("Agreement") is made this \_\_\_\_ day of \_\_\_, 2008.

**Between:**

**Vancouver Biodiesel Cooperative (the "VBC")**

**AND:**

\_\_\_\_\_  
**(Member)**

Member agrees herein to the purchase of one membership unit of the Vancouver Biodiesel Cooperative, in accordance with the following terms and conditions:

- Member agrees to pay a one time amount of \$25 to the VBC upon the date of this Agreement, which amount will comprise of the following:
  - \$10 annual coop membership fee
  - \$10 one time administration fee
  - \$5 card lock card purchase (replacement fee of \$5 applies)
- Member agrees to pay an annual membership fee of \$10 upon joining and every year on or before that date thereafter.
- Member agrees to waive any and all liability and all rights of action which may arise now and in perpetuity against the VBC, the Recycling Alternative and any Directors or Employees thereof, and to indemnify them and hold them harmless from any liability or costs incurred as a result of using any products purchased from the VBC and/or Recycling Alternative.

As member of the VBC, \_\_\_\_\_, has the following individual rights and obligations:

- Keep informed of VBC activity and provide input regarding issues on products (B100 biodiesel) and services provided from biodiesel pump (tank, card lock system, pump)
- Let a VBC executive, or Recycling Alternative representative know of any irregularities (in purchased product, vehicle or otherwise) that may effect other VBC members
- Inform the VBC executive, or a Recycling Alternative representative, know of any changes to your contact information and vehicle information
- Upkeep of our facilities – please treat with care for long-term use
- Be responsible for monitoring your engine's filter. For your benefit, we recommend changing your filter every 3 months
- We recommend blending tallow-based B100 biodiesel when temperatures fall below 12°C

Member #: \_\_\_\_\_

The VBC agrees to:

- Issue 1 share certificate and membership number
- Enroll member in our database and issue a card for the cardlock system and biodiesel pump starting on \_\_\_\_\_2008.
- Provide B100 biodiesel for retail at 360 Industrial Avenue and to ensure that the tank is at levels required to meet demand.
- Seek the most economical, sustainable, and socially responsible biodiesel available to the market that meets or exceeds ASTM D 6751 quality standards
- Provide information package on using B100 biodiesel
- Respect and protect privacy of member and not to release any personal, corporate or otherwise private information without prior consent.
